[Discord sent me this the day after I joined the group setting up travel plans to DC come January. Looks like the commies are attempting to mass report the group and Discord is run by commies so this is the expected response. Just FYI, none of the accusations in the email are true, obviously.](#) (media.thedonald.win)

Pretty obvious commies are trying to disrupt our communications. Mods need to get a thread stickied with new info for people to use. Fuck discord, they've always been leftists cunts and are Chinese owned.

They are leftist and Chinese owned, so it doesn't surprise me, but I refuse to be treated like a second class citizen. They are not going to stop us! Antifa can meet us in the streets if they want to so bad.

Sounds like everyone needs to start a country wide pokemon go excursion to Washington D.C. on Jan 6th. I'll bet there'll be some event going on during that time, probably include special raids and exclusive pokemon, surely Discord wouldn't stop yet ANOTHER pokemon go group from forming. Just saying....
